

TOUGH DAY TOURNAMENT AT BEAVER CREEK C.C.

Monday April 25, 2016 1:00 PM Shotgun Start

Benefiting and spreading awareness for Brook's House

We will be hosting a tough day tournament that will have the golf course set up fair, but very difficult. While the purpose of this tournament is to raise money for Kevin and Dana Simmers' "Brook's House", no money will be taken out of player's entry and all money will be paid back out in prizes with the exception of \$25 per player that will go to Beavercreek for carts. We will rely totally on donations to raise money and hopefully be very successful.

The tournament will consist of 3 divisions. Each division will be a \$40 entry fee along with the cart fee making the total \$65. There will be a gross division, a net division (80% of USGA handicap) and a 60 year old + division from the forward tees. Amateurs under 60 will have the option to enter both net and gross division

In addition to the tournament, Beaver Creek will be hosting an "Open House" following the tournament. Everyone is encouraged to attend and bring your spouses for what should be a fun night out!

Questions may be addressed to Dirk Schultz at Beaver Creek CC (301-733-5152) or Kenny Winfield (301-219-7628). You may sign up as a group or as an individual and early entries will be greatly appreciated! Since we will be paying out cash, any entries received within 3 days or on the day of event must be paid in cash. Checks will be accepted prior to the 3 day cutoff.

Thank you to everyone in advance for participating and spreading the word!
