A. INTRODUCTION

Beaver Creek Country Club (BCCC) was built and opened in 1959. Just East of Hagerstown, MD, it is conveniently located ¼ mile from I-70 (Exit 35) on MD Route 66 (also known as Mapleville Road).

The terrain is gently rolling hills. BCCC offers an 18-hole Championship Golf Course and an Olympic size Swimming Pool. Memberships are available for both Golf and Pool.

The Golf Memberships are available in a variety of types in an effort to accommodate our various customers and levels of play. The course is considered "Semi-Private", meaning that our members have top priority in terms of usage and tee times, but we offer restricted tee times to the public during non-peak times.

Our Swimming Pool is considered "Private", meaning it is only available to our Pool Members and their guests.

In addition to Golf and Swimming, the Clubhouse facility has the following amenities:

- 19th Hole Pub & Grill
- Private Member Room
- Business Conference Room
- Banquet Hall (240 person)
- Outdoor Wedding Site

B. GOLF MEMBERSHIP TYPES AND PRIVILEGES

The game of golf is a sport you can play and enjoy for a lifetime! Very few other sports can be played from a very young age to your golden years. Golf can be enjoyed with your family, your friends or business colleagues and customers. It is a humbling sport at times, but definitely a "character builder".

'Handicaps' are used to allow players of different playing ability to compete with one another. Beaver Creek's Pro Shop offers a full-service handicap system for a nominal annual fee. Scores can be entered using our on-site computer, or via any computer or device capable of getting to the internet. As discussed later, you must maintain a handicap through the Club to play in our Club tournaments and leagues.

Tee Boxes: Beaver Creek now offers eight (8) tee colors on its scorecard. The yardages vary from around 3,000 yards for our "Junior" tees to over 7,000 yards for our "Blue" or championship tees. Our Club has general guidelines for picking the "tee" that suits your game, allowing you to still have fun and be competitive as your skill set changes.

Course Playing Time: The standard for an 18-hole round of golf is four (4) hours. Fortunately, most of our members get around in about 3½ hours. This is a selling feature of Beaver Creek because most "public" golf courses are going to average 4½ hours. The main difference is that our members know the course and play "ready golf". There are several things regarding "ready golf" which can save 30 seconds or more per shot. Multiply this by 80 strokes or so, and you will save 30-45 minutes per round, and still not feel like you rushed or played in a hurry. Most of these "ready golf" pointers are common sense, and our Pro Shop Staff will be willing to provide you some courteous tips and suggestions.

Free Time and Economics: Not everyone has the same amount of "free time" to allocate to their golf game. Some people are retired and have lots of time for golf. Some people are addicted to the game and want to play as much as possible. Others may love the game but have other time commitments which prevent them from playing more often.

At Beaver Creek, we offer a wide variety of memberships to accommodate our customers' time and economic situation.

FULL (TRADITIONAL) MEMBERSHIPS:

The "Full" membership offers you the maximum in privileges and minimum in restrictions. It is the most expensive membership type. However, it is the **preferred choice of most of our members** for the following reasons:

- **Dues** for the current year can be paid:
 - Annually (1-month free, or 8.33% discount).
 - Semi-Annually (6% discount)
 - Quarterly (4% discount)

C. CORPORATE MEMBERSHIPS

The Corporate Membership is designed to be a flexible and affordable business tool. It is designed to have no cash outlay during your visit to the Club. Your golf, carts and range balls are "prepaid", and the named Corporate Members have a "house account" to allow charging of food and beverage items during your visit.

Beaver Creek offers two versions of a Corporate Membership. The original version entitles up to four (4) individuals to be named on the membership. The "Mini-Corporate" entitles two (2) individuals to be named on the membership.

CORPORATE PROGRAM

- \$4,000 per year for the Corporate Membership
- Must be an approved "corporation" as determined by BCCC
- Up to four (4) "Corporate" employees can be named on the membership. Each named Corporate employee is considered a "Full Member" of the Club. This allows them to play in Club tournaments, leagues and have no restrictions on their tee times.
- Each named Corporate employee has the privilege of "house charging" any food and beverage purchases. Monthly statements will be issued to the account holder for any house charges incurred. There is no monthly minimum required on house charges.
- One-hundred (100) Rounds per Year (includes cart and all applicable taxes). These rounds can be used by any of the named Corporate Employees and their guests. Nine-hole rounds are considered a half (0.5) of a round. Unused rounds each calendar year are rolled-over.
- Free driving range "per round" (including guests for the day).
- Additional rounds can be purchased up-front or during the calendar year. The additional rounds will be priced at \$35.00 per round.
- Beaver Creek will allow more than four (4) named Corporate employees in certain cases.

MINI-CORPORATE PROGRAM

- \$45 per "prepaid" round (minimum 25 rounds)
- Must be an approved "corporation" as determined by BCCC
- Up to two (2) "Corporate" employees can be named on the membership. Each named Corporate employee is considered a "Full Member" of the Club. This allows them to play in Club tournaments, leagues and have no restrictions on their tee times.
- Each named Mini-Corporate employee has the privilege of "house charging" any food and beverage purchases. Monthly statements will be issued to the account holder for any house charges incurred. There is no monthly minimum required on house charges.
- Each "prepaid" round includes cart and all applicable taxes; unused rounds each calendar year are rolled-over. These rounds can be used by any of the named Corporate Employees and their guests. Nine-hole rounds are considered a half (0.5) of a round.
- Free driving range "per round" (including guests for the day).
- Additional rounds can be purchased up-front or during the calendar year. The additional rounds will be priced at \$40.00 per round.
- Beaver Creek will allow more than two (2) named Corporate employees in certain cases.

D. GOLF GROUPS (or "GANGS")

Golf is definitely more enjoyable for most people when they play with friends or family. **Playing with others also adds the element of competition.**

Because not everyone can get a friend or family member to play, or not at a convenient time, Beaver Creek offers "Groups" or "Gangs". "Gangs" are reserved tee times set aside on a regular basis for our Fall membership use. Besides our good 'pace of play', the Gangs are probably our biggest asset and selling feature. The majority of our Fall members absolutely love the Gangs, and would be lost without them! (Not to mention making a lot of new friendships along the way).

The size of the reserved tee times varies with the day-of-week and popularity of the gang, but we try to accommodate the varying needs by season.

Each gang has their own rules on format of play, handicaps restrictions or limits, etc.

Gang	Pickup	Tee-Off	Days/Week	Format
*Seniors	7:45am	8:00am	M-F	2-Ball Net

NOTE 2: A handicap is required for play in ALL of these gangs ***

E. GOLF RULES and REGULATIONS

It is the intent of the management at Beaver Creek Country Club to limit these Rules and Regulations to the minimum required for the mutual enjoyment of the Club Facilities by all its members, immediate family members and their guests. The obligation of enforcing these Rules and Regulations for the good of all members is placed primarily in the hands of our Staff, whose principal responsibility is to assure members of all the courtesies, comforts and services to which members of this Club are entitled. It is the duty of the membership of the Club to know these Rules and Regulations and to cooperate in their enforcement.

"Club" refers to Beaver Creek Country Club and "Member" refers to a Member of Beaver Creek Country Club.

1. The Fees and Dues for the various Types of Membership are available in print or "online". Initiation Fees and Annual Pool Fees are not pro-ratable. Golf Initiation Fee is not refundable, but may be paid over a 12-month period.
2. Golf members pay monthly, quarterly, semi-annual or annual Membership Dues and Fees that they select to make up the type of Membership that meets their needs. New Members pay a one-time Initiation Fee and corresponding Dues and Fees for the Membership that they select.
3. A prospective Member making application to join Beaver Creek Country Club, as a Golf Member, must complete an application accompanied by the Initiation Fee, as noted, and the first month's Membership dues. This holds true regardless of which month the Membership starts.
4. A prospective Member making application to join, as a Pool Member, must complete an application accompanied by the Initiation Fee and the Annual Pool Fee.
5. Family Memberships include the Member, spouse and minor children. Minors are defined as children who have not reached their 21st birthday as of January 1st of the Dues year.
6. Single Memberships are for adults, 37 and over, and provide Membership privileges for the Member only. Young Adult Memberships are available for adults between the ages of 19 and 36, are not included on an existing Family Membership, and are similar in membership privileges as Single Memberships. Youth (Student) Memberships are available for anyone under the age of 26, enrolled full-time in an educational institute, and are similar in privileges as Single Memberships.
7. Full Golf Memberships provide Member use of the Golf Course at all reasonable times without payment of Greens Fees. Associate members must pay a reduced greens fee each play and have some time restrictions on available play. Flex members must pay a cart fee each play and have some time restrictions on available play.
8. Pool Memberships provide Member use of the Pool at all reasonable times during the Season (Memorial Day through Labor Day) without payment of Pool Admission Fees.
9. Absentee Memberships provide for maintenance of Golf and Pool Memberships by present Members during an absence from the area of one or more calendar years, or a documented medical condition which would prohibit play and use of the facilities for an extended period of time. Such Members are maintained on an inactive Roster, have no Active Member privileges, but do not pay an Initiation Fee when reacquiring their Memberships. Charges are available upon request and are not pro-ratable.
10. Members shall have the privilege of inviting guests to the Club with certain restrictions. Golf Members may invite guests for Golf. Golf Members and Pool Members may invite Guests to the Pool. Members shall be responsible for registering their Guests and shall further be personally responsible for their proper conduct and for an indebtedness incurred by them in the use of the Club's facilities. Guest Fees shall be as posted in the Golf Shop and at the Pool.
11. Locker Rental Fees provide use of Half Lockers or Full Lockers in the Golf Locker Rooms and Pool Locker Rooms respectively. They are rented by calendar year, when available, and are subject to periodic inspection by Management. Golf Clubs may not be stored in Lockers.
12. Minor Members of a current Family Membership, after having passed the cutoff-date of paragraph 5, may apply for continuation of their Membership ~~upon~~ payment of applicable Initiation Fee within 12 months of the cutoff-date. Acceptance will be subject to Membership restrictions existing at the time of application and to the Membership upgrading procedures noted hereafter.
13. Members in good standing are automatically continued on the Membership Roster from year to year in the same membership Category and Type that they held the previous year. They are billed accordingly and are obligated on a quarterly basis for the following year's Dues and Fees unless they do one or more of the following: a) Advise the Club in writing if they want to add or cancel a Membership privilege by the 15th of the calendar quarter beyond

which they want present Membership status to change; b) Write a letter resigning from the Club to be received by the 15th of the last month of the calendar quarter which they want Membership to end. A Member who drops out of the Club without presenting a timely written resignation that is accepted, shall be automatically obligated to pay all charges that accumulate up to the time that he/she is expelled. Non-use of the Club's facilities shall not be a valid excuse for non-payment of Dues and Fees and does not relieve those Members who do not follow the above procedures from their obligations. A Member who drops out without having presented a timely written and accepted resignation shall be denied the privileges of the Club as Guest or Competitor until his/her obligations have been met. A Member is considered to be in "good standing" when his/her obligations to the Club have been met and when the best interests of the Club will be served by his/her continued Membership in the Club. However, should the best interests of the Club not be served by the annual renewal of any person's Membership, then such renewal shall not be made and that person shall be notified accordingly.

14. Any advance from one Category or type of Membership to another, and aside from increased Dues or Fees, will require the payment of the difference in initiation Fee existing between the two Memberships at the time of the change. Memberships may be upgraded at any time, but preferably at year end, upon request by the 15th of the month preceding the month of effectivity. Downgrading of Membership by Category or Type, including resignation, can only be accommodated at the end of each calendar quarter upon notification by the 15th of the last month of the calendar quarter preceding effectivity, to assure that Membership changes are handled accurately, requests for same must be made in writing.
15. The Dues period for Full Membership extends from January 1st to December 31st. Dues are billed monthly, twelve months of the year, and are due on the first day of each calendar month. Yearly Fees for Pool Membership are due in full by April 1st, or may be paid in three equal installments, April 1st, May 1st and June 1st.
16. Bills are due on the first day of the month in which payment is scheduled or billed. Bills are payable not later than the 25th of the month in which they are due. If a Member fails to pay Dues, Fees or other indebtedness, as noted, the Member is subject to the following: 30 days past due or second billing - name posted automatically in the Clubhouse after the 25th of the second billing month, 60 days past due or third billing - automatic suspension and loss of all Club privileges after the 25th of the third billing month, 90 days past due or fourth billing - automatic expulsion after the 25th of the fourth billing month. The unpaid account of an expelled Member will be placed for collection as a bad debt. A finance charge of one and a half percent (1.5%) per month will be assessed on all accounts delinquent by the 25th of each month, along with a late payment charge of \$20.00. Non-payment of finance charges will be treated as a delinquent account.
17. Proper attire is required at all times. No tank tops or cut-offs. Shorts must have collars (in-season). No denim shorts or slacks (in-season). "In-season" is defined as April 1st through October 31st.

The Club reserves the right to withdraw the privilege of Membership from any Member who violates the rules, regulations or restrictions of the Club and Membership, or whose Membership renewal would not be in the best interests of the Club. J. M.I.S.G.A. MEMBERSHIP APPLICATION

**MARYLAND INTERCLUB SENIOR GOLF ASSOCIATION
2019 BEAVER CREEK SENIOR GOLF**

MEMBERSHIP APPLICATION

Your committee is in the process of organizing the MSGA program for 2019. We have scheduled home mixers at Beaver Creek with return mixers away. We have two (2) intra-club events at the beginning of the season. A 36-hole 2-day championship will be held at the end of the season.

There will be a membership meeting at the Beaver Creek Clubhouse on **TUESDAY MARCH 26th at 8:30 am**. All Beaver Creek members 50 years of age and older are eligible to join the association. If you have a friend that might like to become a member, bring them along. Coffee and donuts will be available. Golf following for those interested. No lunch will be served.

MSGA play begins on March 28 with a member scramble. A sign-up sheet will be on the MSGA Bulletin Board in mid-March. The MSGA membership fee of \$30.00 for the year is due and payable now. This fee includes the cost of the State association dues, the end of season annual banquet, and funds for miscellaneous expenses. Detach the form at the bottom of this sheet and include with your check, made payable to "BEAVER CREEK SENIOR GOLF", and mail to Lee Iseminger, as indicated.

Beaver Creek Country Club will be handling required handicap records on their computer again this year. There is a \$40 fee for this service, which must be paid to the PRO SHOP prior to our first scheduled event. The fee for each home mixer will be \$43.00. We believe that the fees for the away mixers will be approximately \$40-\$50. The home clubs control these fees.

SEE YOU ON MARCH THE 27th -- BRING A FRIEND!!!
