The Corporate Membership is designed to be a flexible and affordable business tool. It is designed to **have no cash outlay during your visit to the Club**. Your golf, carts and range balls are “prepaid”, and the named Corporate Members have a “house account” to allow charging of food and beverage items during your visit.

Beaver Creek offers two versions of a Corporate Membership. The original version entitles up to four (4) individuals to be named on the membership. The “Mini-Corporate” entitles two (2) individuals to be named on the membership
